Well done again to all children who have worked incredibly hard throughout the week and have shown great enthusiasm in their learning. It was wonderful to see so many examples of perseverance, kindness and achievement from our Headteacher Award winners this week. A special well done to Orange Class for their fantastic class assembly this week. They confidently shared their learning in Geography, Science, Art, Music and English, showing everyone just how much they have learned. Their enthusiasm and creativity shone throughout the assembly, and we were extremely proud of the confidence they showed while presenting to parents and their peers. Orange Class also performed three great songs. A huge congratulations to every child for working so hard, learning their words and giving such a lovely performance. Thank you to all the parents and grandparents that came to support their children.

Red Class also had a wonderful time on their first Linking Project trip with Alexandra Park School to Gallery Oldham. The children created portraits of one another and worked together to make a class banner. It was a fantastic opportunity to meet new people, share ideas and be creative, and we hope this marks the beginning of some lovely new friendships.

Hope you have a wonderful weekend. We look forward to welcoming everyone back to school on Monday for another week of learning and fun.

Janet Knuckey
